

## Would You Be a GSR?

- A **Group Service Representative** (GSR) is needed to represent *Your Home Group* at the monthly meetings of the **Colorado Service Group (CSG)**. You will be mentored by a former GSR. Basically, you will attend a monthly one hour telephone conference-call meeting on the 1<sup>st</sup> Sunday afternoon of each month from your home or cellphone. Or perhaps you will simply agree to be the **Contact Person** for your Home Group (without attending the CSG meetings) to return calls to inquirers who might like to attend your meeting.
- **Services Provided by CSG:**  
*Colorado's S-Groups Cooperating in Outreach to Those Who are Suffering*
  - A **Meetings List** of all S-meetings in Colorado.
  - Our Inter-Fellowship **Website** about 12-Step "S" meetings [[coloradoservicegroup.org](http://coloradoservicegroup.org)]
  - A **Telephone Information Message** directing inquirers to our website [[303-427-0176](tel:303-427-0176)]
  - **Literature** (& webpages) about Colorado's 12-Step S-fellowships and S-meetings.
  - **Inter-Fellowship Statewide Events:** Retreats, Special Events, Fellowship
- **Qualifications:** leadership, good judgment, willingness to serve, a year or so of S-meeting attendance, and having experienced some success with recovery. And most importantly, a desire to reach out to those who are still suffering. These are guidelines, not requirements.
- **Duties** Expected of You:
  - Inform your meeting of **CSG events and needs**.
  - Inform them of how **their donations** are spent.
  - Discuss and vote** on issues facing this Colorado inter-fellowship outreach. Involve your Home Meeting in such decisions through its group conscience.
  - Participate in planning the annual **retreat**.
  - Help** with some project.
- **Interested?** Ask your Home Meeting to appoint you as their Representative. Submit yours or another appointed member's name to: [info@coloradoservicegroup.org](mailto:info@coloradoservicegroup.org)
